2015 Leaf Collection Guide

2015 Collection Dates:

Saturday Nov 14 / Sunday Nov 15

Saturday Dec 19 / Sunday Dec 20

The City of Dallas recognizes the need for fall leaf pick-up. We are excited that Republic Services is continuing to provide this service to the citizens of Dallas.

It is important not to rake leaves into city streets until just before the collection events. Leaves raked into the street can cause drainage and flooding problems by clogging gutters and storm sewers, and can blow onto neighboring properties. Residents will be asked to remove leaves if they are raked into the street outside of scheduled pick-up times.

Leaf Disposal

The City of Dallas recommends that residents dispose of leaves in the following ways:

- Use them as mulch in your landscaping
- Place them in your yard debris bin
- Use any of the leaf only drop-off locations from October 15 thru December 31 (no other yard debris).

The locations are as follows:

- 1) The parking lot adjacent to Lyle Softball Fields
- 2) SW Allgood near the gate to the Parks Office
- 3) The east end of Hankel Street

- Place leaves in the streets just before collection dates

Keep in Mind:

- ✓ Leaves should be raked into the street in long rows, parallel to the curb, and at least 12 inches away from the curb.
- ✓ Avoid blocking the roadway, driveways, and bike lanes.
- ✓ Keep piles away from and clear any blocked storm drains.
- ✓ Place only leaves and no other trimmings, brush, grass, or other debris in the street.
